DARBHANGA PUBLIC SCHOOL
Affiliated to CBSE, New Delhi
School With A Laudable Difference
RAMBAGH PALACE, DILLI MORE, BASUDEVPUR, DARBHANGA
VISION

The Darbhanga Public School is an institution with a laudable difference. This region has been an ancient seat of learning. Darbhanga Public School was established by a team of devoted and dedicated persons from a cross section of the society to restore the past glory and to take it to new heights of achievement by blending the time tested thoughts and values with new ideas. To make education meaningful, education has to be in the context of social realities. The context of education offers enough scope for instilling lateral thinking in pupils through an independent study of inventiveness. The psychological principles responsible for developing creativity need to be looked into, specially to develop excellence. The conception of education as a means to prepare a child for a specific profession has gained momentum. Planning and development of the career should be the focal theme of the conception of integral development of the personality capable of facing the changing society and time.

It is essential that we offer to the society a system of education which develops excellence in tune with the ever moving time cycle. By doing so, we not only generate the productive and creative abilities of human beings but also succeed in making an assault on the crisis of excellence. Against this background, this institution attempts to gain distinction in the fields of education, sports and culture. Towards this end, this school has built up an infrastructure that makes available innovative education, inventions and innovations in the field of educational technology make it essential that an institution links educational plan with the best possible electronic teaching aids.

MISSION

The school attempts to inculcate in the child independent and free thinking, stress being laid on the highest standard of personal and social conduct. The school tries to inculcate a positive attitude in the students which will help them in manifesting their perfection hidden inside them. The pupil is encouraged to appreciate the virtues of co-operation and social responsibility.

The school aims at developing the finest traits of character like honesty, self-confidence, initiative, drive, cohesiveness, decisiveness, courage and determination. It aims to stretch the leadership qualities of the pupil.

AIMS AND OBJECTIVES

The school places academic excellence and innovation in education as its prime objectives. It aims at catering to the multi-faceted needs of school-going children.

The processing of natural instincts is of paramount importance to make available to the society a personality, successful in providing right direction.

The school aims at identifying the latent talent of each student. It endeavours to recognise the aptitude of the pupil and channelise his her inherent abilities and creativity.

It aims at an integrated development of children’s personality, which makes them an achiever and equips them to face the real life challenges and the futuristic society with ease and confidence. The aim of the school is to enable students to become their highest and truest self.

NATURAL SURROUNDINGS

The school has an independent sprawling campus, where students get a natural environment to speed-up their learning cycles. The landscape is very attractive. It is a picturesque sight. Environment has an important bearing on sharpening the intelligence of children. The premises and surroundings of Darbhanga Public School are helpful in establishing an active communication between nature and man.
THE FACULTY
The faculty are competent, value based and motivated. The devoted and competent teaching personnel form the backbone of the school system. The teachers pay special attention to weak as well as to the talented students. The meritorious students are encouraged with commendation and the weak students are placed under special supervision of the teachers. The teachers help the students in acquiring new knowledge and in creating and broadening the horizon of knowledge. The teachers help in creating an environment where the pupil acquires new knowledge and learns the application of the knowledge. The knowledge leads to the Improvement of the quality of life.

CREATIVITY & INNOVATION
Our teachers make efforts to recognize and reward creativity in students and provide opportunities for it to occur. Here, the students are trained to think by questions and assignments that test their critical awareness. It is a School where creativity is kindled.

CURRICULUM
The school is affiliated to CBSE, New Delhi and follows the C.B.S.E. Curriculum & the books are of NCERT & C.B.S.E.

COMPUTER
Computer literacy has become an essential part of education system. Computers with internet have been provided for learning their operation and language from Std. 1 onwards.

LABORATORY
The School has established well equipped Science, Math & Language Laboratories.

MEDIUM OF INSTRUCTION
The medium of instruction in all the classes is exclusively English.

SCHOOL CALENDAR
The school publishes its calendar with details of academic and co-curricular activities.

CO-SCHOLASTIC ACTIVITIES
On the co-curricular front, the school has developed time honoured facilities like sports, music, painting and art. The school encourages different co-curricular activities such as Debate, Elocution, Recitation, Essay, Quiz, Group discussion, Extempore, Lecture, Painting, One act play, Science & Art Exhibition etc.
THE MANAGEMENT
The school is managed by a registered society, 'ASHIRVADA SAMAJKIR SAMAJ SHARSHIR SAMITI', Darbhanga. The Executive Committee of the society provides leadership by setting examples.

STUDENTS' PARTICIPATIVE COUNCIL
In order to develop a sense of responsibility, qualities of leadership and feeling of belonging, students form a council which enforces discipline at all levels and co-operates with the school administration in organizing and executing various activities within the premises.

PHYSICAL ACTIVITIES
Academic excellence lacks any meaning without physical soundness. To foster a healthy mind, a healthy body is essential. This school makes available physical training facilities for a natural growth of the physique.

SCHOLARSHIPS
Generation of excellence in the purest form is possible when we offer incentives. Students displaying outstanding intelligence and diligence get handsome incentives in the form of scholarships and prizes with certificates of merit.

EXAMINATIONS
The examinations are held as per the guidelines of CBSE and continuous and comprehensive assessment are conducted which includes four formative and two summative assessment.

PARENT TEACHER MEETING
The parents-teachers meetings are held regularly (Particularly after each exam) in order to review the performance of students and initiating the steps to bring about positive changes. Each student is individually assessed keeping in view his/her general behaviour, performance in examinations, co-curricular activities and aptitude.

DISCIPLINE
A deep sense of discipline is inculcated among the students by delegating responsibilities to them. They are encouraged to participate actively in different programmes of the School. It helps them in conforming to a high standard of discipline in and outside the School.

REGISTRATION AND ADMISSION
The child can be registered for a particular session on submission of duly filled in registration form and depositing registration fee. Admission in the school is open to all without any distinction of creed, caste, sex or religion for class I to IX.
SMART CLASSES
The School has Smart Class rooms with latest audio visual Educational Aids & Equipments.
